Susan Meister  
Division of Legal Services  
Illinois Department of Public Health  
535 W Jefferson Street, 5th Floor  
Springfield, IL 62761

VIA FACSIMILE 217-557-0309

Dear Mrs. Meister:

I am concerned with proposed rules written for the Child Health Examination Code [77 Ill. Adm. Code 665.] In particular, I object to proposed changes to Sections 665.150, 665.160, and 665.630 which restrict the proof of eye examination only to the use of the Illinois Department of Public Health Eye Examination Report.

I support the use of the Vision First form as proof of an eye examination in meeting the requirement of Public Act 95-0671. I believe the department should accept this form as proof of an eye examination.

With kindest personal regards, I remain

Sincerely yours,

*Michael J. Madigan*
